

SUPPLIER EXPECTATIONS

Trafotek has a set of supplier requirements. The main criteria are:

BUSINESS INTEGRITY

We place great importance on our own Code of Conduct. We expect our suppliers to have a code in place which upholds the same high standards:

- » Compliance with laws and regulations, openness and transparency
- » Respect for human and labor rights
- » Fair employment practices
- » Occupational health and safety
- » Conflicts of interest
- » Anti-corruption
- » Environment
- » Quality
- » Accuracy of accounting records
- » Anti-fraud

MANAGEMENT SYSTEMS

Trafotek expects suppliers to meet international standards (ISO and OHSAS) for:

- » Quality
- » Environment
- » Safety and labor welfare

MATERIAL COMPLIANCE

Trafotek expects suppliers to have product/material compliance with:

- » REACH
- » EU/China RoHS
- » the US Conflict Minerals
